Circular Economy x Startup

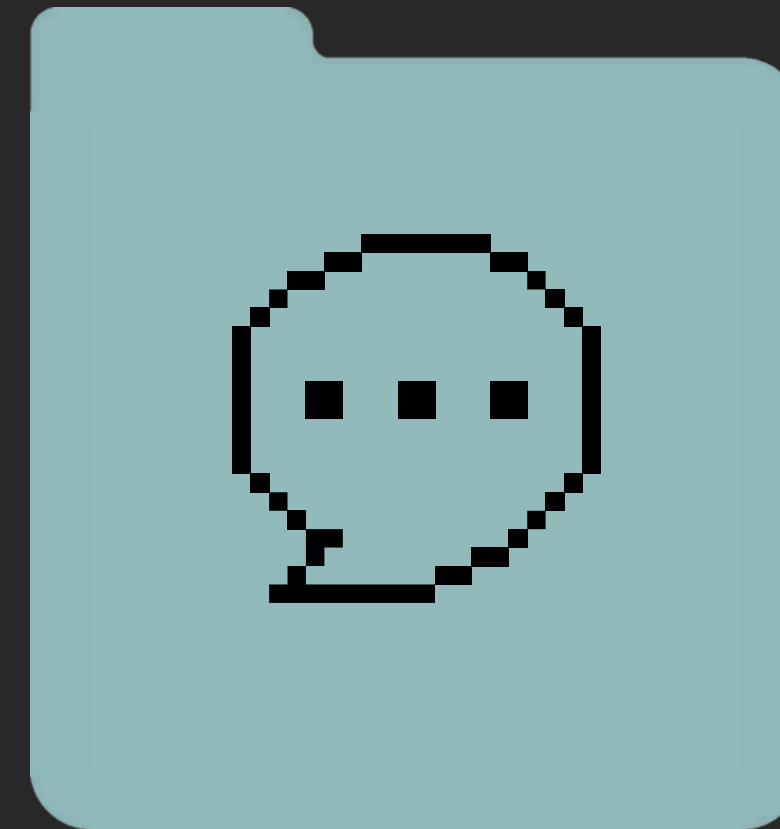

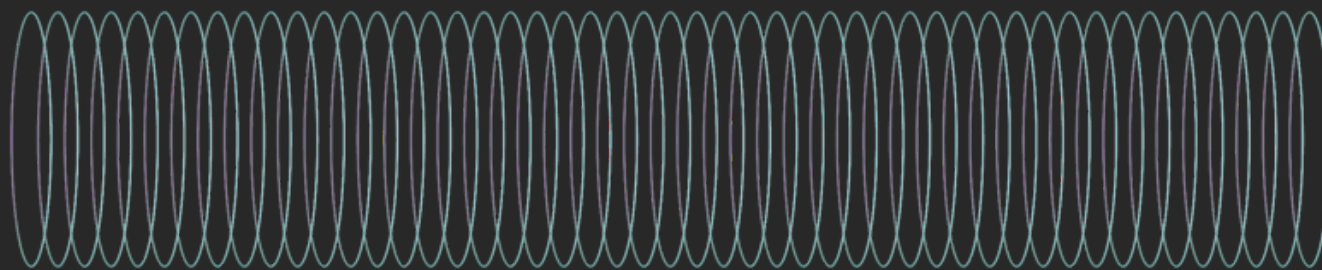

Tokyo, 9 October 2025

Regulations Implementation Roadmap

- EU and China are tightening regulation & disclosure
- DPPs enable mutual recognition across borders
- A foundation for regulatory, operational & commercial trust.

Company Overview

Established in Singapore in 2020, **Orobo** is a **clearinghouse for supply chain data**. Operating as a neutral verification body, we make sustainability data **accessible, verifiable, and actionable** for **manufacturers worldwide**. ”

Our Digital Product Passports are the **industry standard**, and our audit and value-added services **drive the circular economy** *beyond compliance*.

Let's shape Japan's role in the global
DPP infrastructure!

Orobo Pte Ltd

160 Robinson Road
Singapore BFC
068914 Singapore

hello@orobo.tech

The screenshot displays the Orobo DPP platform interface. At the top, there is a 'Create New DPP' button and a user profile icon labeled 'AU'. Below this is a table listing various products:

IMAGE	TEMPLATE	STATUS	PRODUCT ID	SHORT C...	CREATED
	Textile DPP Textile - EU	Private	Text001	Text001	Sep 02, 2025
	DPP under ESPR Energy - EU - EU_ESPR	Public	TESLA-DPP-015	EV0015	Sep 01, 2025
	Platform CB '23 Construction - NL - CB_23	Public	BUILD-DPP-014	BB1014	Sep 01, 2025
	Platform CB '23 Construction - NL - CB_23	Public	BUILD-DPP-013	RSB013	Sep 01, 2025
	Platform CB '23 Construction - NL - CB_23	Public	BUILD-DPP-012	SCB012	Sep 01, 2025
	Textile DPP Textile - EU	Public	ACME-DPP-011	HLP011	Sep 01, 2025
	Textile DPP Textile - EU	Public	ACME-DPP-010	BWG010	Sep 01, 2025
	Textile DPP Textile - EU	Public	ACME-DPP-009

On the right side, a detailed view of the 'EV Battery Pro 85kWh' product is shown. It includes a 'Published' status, a 'DPP under ESPR' tag, a product image, and the following details:

- Product ID: TESLA-DPP-015
- Short Code: EV0015
- Completeness: 100.0%
- Created: September 01, 2025
- Material Description: (partially visible)

Two QR codes are overlaid on the interface. The first QR code is positioned over the 'EV Battery Pro 85kWh' product details, and the second QR code is positioned over the 'Product - LinkedIn' text.
