

# Monika Griefahn

## **Position/Department/Division/Institution/Organization**

Dr. Monika Griefahn is speaker and member of the board of the eFuel Alliance.

## **Country**

Germany

## **Career history**

From 1984 to 1990, Monika Griefahn was the first woman to serve on the International Board of Greenpeace. From 1990 to 1998, she served as Environment Minister in Lower Saxony. Then as now, she advocated for a new energy policy: for renewable energies and the phase-out of nuclear energy. From 2012 to 2018, Monika Griefahn was also Director of Environment and Society at the cruise line AIDA Cruises. She played a key role in the company's realignment toward the use of liquefied natural gas as a ship fuel.

## **Awards/Publications**

Monika Griefahn is involved in many voluntary commitments and was awarded the Order of Merit of the Federal Republic of Germany in 2018.

European International Women's Leadership Award 2021

B.A.U.M.-Umweltpreis 2014

## **Areas of expertise**

Energy and Climate Policy
